Weather Plan

If it is raining at the starting time of the camp, we will most likely move the camp to the next available day or inside. A sweatshirt and sweatpants may be necessary as the weather is so unpredictable at this time of year. Any adjustments to our schedule will be announced on KMCH 94.7 FM, over the schools intercom system or online at: <http://www.westdelawarebaseball.com> If you have questions contact West Delaware High School at 927-3515.

Clinic Fees

The cost to attend the West Delaware Hawks Baseball Camp is \$35. Coaches receive no stipend for the camp. All proceeds will be used towards the betterment of the West Delaware Baseball Program. If you, or someone you know, cannot afford to pay this fee due to financial constraints, let us know. We want all baseball players to have an opportunity to experience the camp.

Camp Features

There are a variety of different machines and drills used to help the camper reinforce fundamentals.

Nate Lahr

Coach Lahr enters his fourth season as the head coach of the Hawks. Coach Lahr was a three year starter for the Hawks from 2005-2007. He then went on to play collegiately at Wartburg College. The Hawks finished 2016 with a 24-14 record. The Hawks look to build upon last year's success and continue to improve to reach the goals set for our program.

The Coaching Staff

Kevin Werner

Coach Werner enters his 18th season as an assistant varsity and the head Sophomore baseball coach of the Hawks. He was an assistant coach on all 7 State Baseball appearances made by the West Delaware program. He has coached numerous Manchester Kids League teams, travel teams, and has served on the Manchester Kids League board. He loves the game of baseball and enjoys teaching the youth of our community what it means to be a Hawk baseball player!

Ryan King

Coach King enters his third season in the Hawk baseball program. He serves as the head freshmen coach and as an assistant Varsity coach. Coach King was a player in the Hawk program from 2008-2012. Coach King has acquired a great knowledge of the game of baseball both by playing and learning from his coaches in the past.

West Delaware Varsity Hawks
 Members of the 2017 West Delaware Varsity Hawks baseball team will assist the coaching staff during the clinic. Our goal is to provide at least a 1 to 8 ratio of high schoolers.
