

GIRLS'

This year the Varsity Volleyball team ended up with a record of 2-21-1. They were fourth in the WaMaC Conference. Miss Keil commented, "Even though our record isn't very encouraging, the 1983 Volleyball Team saw some success. They exhibited the qualities of pride, determination, intestinal fortitude, and a desire to always do your best while having fun; which are key ingredients so vital to a young growing program. Our seniors will be a great loss to our program, but we have some promising young players with experience who should be the nucleus of next year's team." Also, the Fresh-Soph record was 4-7, and the J.V. record was 5-6.

1. Colleen Gentz hits the ball over the net as teammates look on in anticipation.
2. The Hawks "set the ball" during one of their action-packed games.
3. Excellent form by Ann Funke on "how to serve the ball."
