Brigid Ryan (12) My favorite part of this season was playing with the girls. The new freshmen made it a lot of fun because I got to know them better than I did before the season.

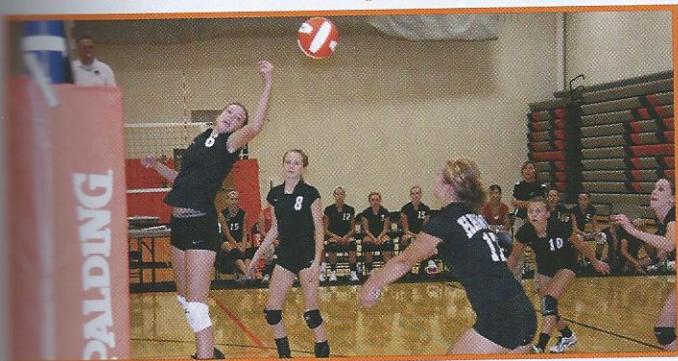

Cassie Vaske (11) I'm really going to miss this year's seniors. They were a very good group of girls to play with, and they were so easy to get along with.

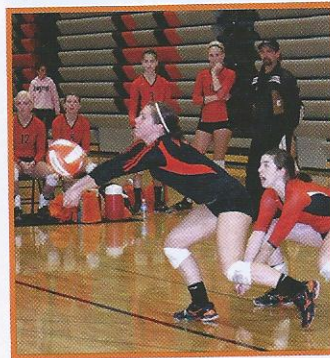

Jena Downs (10) Our last game was memorable because we beat Western Dubuque, who was a big rival, and almost gave our coach, Julie Vaske, a heart attack.

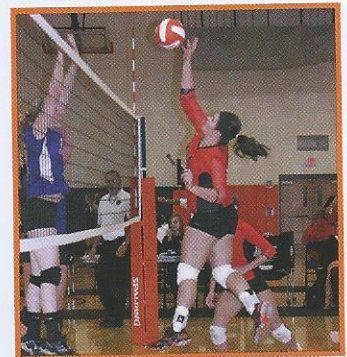

West Delaware Volleyball added three new photos to the album **Determination.**

She's Got Your Back. After the ball crosses the net against Vinton Shellsburg, Mary Boies (9) attempts a block while Hanna Koloc (9) "cups" the ball. The Hawk freshmen finished the year 24-12.

Dominating Duo. Defensive specialists Amanda Bries (12) and Brigid Ryan (12) dig to set up a rally. Together these seniors accumulated 771 digs.

Get Up! During the West Delaware Tournament, Claire Swift (12) jumps and prepares to spike the ball down on Oelwein. The Hawks finished first in the tournament.
